A welcome to interested buyers from the builders and sole owners of 179 Pine Hill Road, Chester, NY

As you consider purchasing our home, you should know that it was designed, and constructed with attention and focus to every detail, along with a lot of passion and love in every aspect. To understand that, let me take you back to explain.

I grew up in New York City, moving to Orange County when I was 14 years old. My parents bought a foreclosed home because that was all we could afford. At the age of 15, I spent many months helping my parents getting the house ready to be the home that was ours for many years.
